The Excise Commissioner

Sir

In reference to the Proceedings of Government No: 2165-6 / R. 368-92 dated 10th August 1892, in which is sanctioned the entertainment of a clerk temporarily for 3 months on Rs 20/- pending the transfer of two hands from the Excise Assistant Commissioner's office, I have the honour to report that the clerk was entertained on the 19th July 1892. So the three months mentioned in the above order expired on the 18th October 1892. The clerk has however continued in office, though the order limited the temporary employment to three months, as it was on the supposition that, within that time two clerks could be sent to me from the Excise Assistant Commissioner's office, and the order contemplates the continuance of the official till the promised assistance is given. I have allowed the clerk to continue because

Pc for Gro in the file.

the order implicitly as explained above sanctions it, and as I could not possibly get on with the work without him.

2. You have kindly sent me a clerk recently vide your letter No: 6107-18/216 dated 20/24th May 1893. the second of the two clerks whose transfer I asked for in my letter No: 116 dated 30th June 1892 and you were kind enough as is apparent from the Government order quoted above to get the Government to approve, has not been sent yet.

3. I have now in the Roddy department a clerk on Rs 15/- to prepare treasury accounts and another on Rs 20/- to attend to correspondence and in the Attack department the Rs 25 man whom you have recently sent me and the temporary hand on Rs 20/-. With this establishment I can get on with the work fairly well. With one hand less it would be simply impossible to cope with the very heavy work in the Excise Department which is every month getting heavier. That the impossibility of getting through the work promptly and satisfactorily is not imaginary but real, will become apparent to you when I take the liberty to draw your attention to the repeated reminders you have all along had to send

me for returns and reports when I had fewer than 4 clerks. The delay was not due to inefficiency and laziness on the part of the clerks. I assure you that I have always had the ablest and most hard working men that I could get for the salaries allowed. To enable you to form an idea of the amount of work to be turned out, I give below a short account of it. Correspondence with the Excise Commissioner and nine assistant Superintendents and the Toddy Daroga which is, as I have said above increasing every month. Challans for arrack purchased from the distillery come in daily and average about 55 daily: they have to be checked with the Treasury accounts and posted up in a Register. Fortnightly D. C. B Returns Toddy Revenue are received from the Talugs. There are farms and renewals separately all in the district excluding the Bangalore Talug. These returns have to be similarly checked and posted up in a Register. The checking of these returns includes calculations of interest on various small amounts due by numerous defaulters. So many as 12 Toddy Inspectors and 12 officials in the Arrack Department and also the Toddy Daroga

send their diaries. They have to be checked. There are then my annual monthly and quarterly returns. Reminders to Guildals to get their returns in time and orders to Guildals to secure prompt collection require the constant attention of one. In addition to this there is this year the annual management of the Bangalore farm.

4. I request therefore that you may be pleased to get the sanction of Government to pay off the temporary clerk up to date and to his retention till such time as you can spare another man from the Excise Assistant Commissioner's Office.

I have &c

No.

Excise Commissioner's Office
Bangalore, dated 26th June 18

From.

The Excise Commissioner
in Mysore

To

The Chief Secretary to the
Dewan of Mysor

Sir,

I have the honor to report that in accordance with Government Proceedings No. 19292-3, dated 18th R.F. 117-92 May 1893, three clerks on Rs 25 each have been transferred from my office to the districts of Bangalore, Kolar and Mysore and 5 clerks on the same pay have been appointed to the remaining Districts.

2. I now beg to urge on the attention of Government the actual requirements of my own office. The scale of establishment sanctioned for the Excise Commissioner's office in Government Proceedings No. 1152, dated 24th March 1890, was for the work connected with arrack and drugs. At the time when

when such establishment was sanctioned, the provincial contract System was in force, and this office had to deal with only two provincial arrack and Ganja contractors, and to check and compare their accounts under the old Kachcheri Rules, with the "B" statements of 8 district treasuries. The Toddy work under the old district Contract System was performed by the Deputy Commissioners in their respective districts, in direct correspondence with government. There was not much correspondence then with government, the Deputy Commissioners of Districts, &c. Therefore the establishment then sanctioned was ample for the work under the old state of affairs. But since the introduction of the new arrack and toddy systems, the correspondence, accounts, statistics, &c have considerably increased. To carry on the present work in my office, expeditiously, satisfactorily and efficiently, the following hands are indispensably needed: —

(1) Shristadar. To attend to correspondence, drafting government notifications and Rules, Subsidiary rules of practice Administration Reports, &c and to exercise general supervision and management of the office. Before the

the work of Toddy was taken over, his pay had been fixed at Rs 150. Under the new arrack and Toddy Schemes, his work and responsibilities having considerably increased, I have now proposed his pay to be raised to Rs. 200.

(2) Head accountant. To check the demand, collection and Balance Statements, Chellans and Passes, Administration Reports of Distric Bills from Contractors, Contingent an travelling allowance Bills &c from the 8 districts, to keep the Registers of Contingencies of the Central Office, and of the 8 districts and Specia Assistant Commissioner. I have fixed his pay at Rs 70, to secure a competent hand, the want of wh is now greatly felt. The pay of the Head accountant of my Forest Office is Rs 80. The work of examinatio and preparation of accounts in the Excise office, relating to a revenue of more than thirty lacs of Rupee is considerable and responsible.

(3) Deputy accountant. To keep the Register of arrack rental and of "E" Chellans for the whole Province, Register of Ganja Khists and Crime Register, and to check Rahadaries Chellans

Shellams of arrack, rental and Ganja Khists and Compare with the Head accountant the passes, Rahadaries, IE&G Circle, and Distillery and Depôt accounts with the Demand, Collection and Balance Statements from Districts. I have fixed his pay at Rs 55. The pay of the Forest Deputy accountant is Rs 60.

(4) Two accountants, one on Rs 35 and one on Rs 25. To Keep the Register of Shellams "F" & "G" of arrack duty and Register of Depot accounts (arrack and ganja), and to check and prepare the accounts connected therewith. It has been found from experience that one accountant cannot do the work of more than 4 Districts; and therefore two are wanted for the 8 Districts.

(5) Two accountants, one on Rs 25 and one on Rs 30. To Keep the Registers of Toddy rental, Foreign liquors, and to check and prepare all accounts, Returns &c connected with Date and Bagni toddy, Foreign liquors and Beer, and to Compare with the Head accountant the Treasury "B" Statements of Toddy Khists with the entries in the Demand Collection and Balance Statements of the Districts.

(6) Correspondence Head Clerk on Rs 40.
To keep "From General Register", "From &
"To" departmental Registers of Chief
Secretary, Comptroller, Contractors and
other Miscellaneous, to prepare inanswers
reference lists, and to faircopy, Compare
letters &c

(7) Two clerks one on Rs 30, and one
on Rs 25. To keep "To general Register"
"To" and "From" departmental Registers
of eight districts, faircopy and
despatch letters &c.

(8) Record Keeper on Rs 20. To arrange
papers and keep the records and
files, pick and put up references
wanted.

(9) Storekeeper and Assistant Record Keeper
on Rs 15. To keep the accounts of
Permit and account Books, Special
Passes, other printed forms, Stationery,
hydrometers, thermometers, gallon
Measures, dram Cups &c.

(10) Vernacular Munshi on Rs 20.
To attend to Canarese Correspondence
with Deputy Commissioners, Amildars,
Contractors &c and petitions from
arrack and Toddy Vend farmers &c.

3. I have now 3 hands on Rs 15
each in my office. One of them
will

will be transferred to the Bangalore District as per this office Rs 6399/355, dated 13th June 1893 the remaining two being retained in this office, one as Record Keeper and the other as Store-Keeper proposed above.

4. The total cost of the proposed Superior establishment including the cost of the present inferior establishment will be, as follows:—

	Rs. As. P
Cost of the proposed Superior establishment	580—0—0
Cost of the present inferior establishment	143—0—0
Total	723—0—0
Add the cost of the present Distillery establishment	312—0—0
Grand Total	1035—0—0
Deduct cost of the two accountants to be debited to Toddy Revenue	45—0—0
Balance	990—0—0
Deduct pay of the Commissioners Orderlies and Lascars	77—0—0
Balance Rs.	913—0—0

The monthly cost of both the Distillery and office establishments (excluding the pay of the Excise Commissioners Orderlies

orderlies and Lascars) the proportionate share whereof has hitherto been charged to the arrack Revenue of the civil and military station is Rs (911), as per particulars in the margin. This amount is less than the above balance by Rs 2, which is owing to the increase of Rs 2 given to the Tarash of this office; vide Government Proceedings No. 1640-41 F. R 78-92 dated 26th July 1892. If necessary, this amount also may be debited to Toddy Revenue, so that the total cost on which the proportionate charge debitable to the civil and Military Station is to be calculated, may be Rs 911 as heretofore.

5. It will be seen from the foregoing details that the proposed establishment entails no extra charge, the savings which have accrued both to the Mysore State and civil and military station by the reduction of the distillery establishment, being utilized to meet the proposed increase. I beg to recommend also that the marginally noted menial establishment may be sanctioned for

for the newly appointed Assistant Commissioner, Mr. Davy, the cost being debited to Sodry Revenue.

6. I can scarcely expect the work to be satisfactorily and efficiently performed, unless the establishment I have now proposed for my office, is sanctioned. The present hands are now overworked, being frequently required to attend office in the morning from 7 to 10 a.m. besides at the usual office hours, to get through the accounts &c. The Records have accumulated without being sorted and arranged for want of Record Keepers. The requisite references cannot therefore be easily traced and the work is in consequence delayed. The requisite Registers have not been properly kept up for want of efficient hands. A great deal of Scrutiny and Careful examination and check have to be exercised over the accounts; otherwise, the errors, omissions and irregularities Committed in Taluks and Districts are apt to pass off unnoticed. I beg to Specify below some of the glaring omissions and errors discovered on Comparing the Demand, Collection and Balance Statements of the districts with

Chellans

Challans, Passes &c received at this office: —

(1) The amount realized by the sale of a Special Country liquor called "Milk Punch" was found to have been credited to the head - "Miscellaneous" "Milk Punch" being mistaken for "Punching instruments."

(2) Arrears of license fees for previous years, had been shown against the present arrack vend farmers.

(3) Amount deposited on account of Proof Spirits had been credited to Excise Revenue, though the Spirits had never been issued.

(4) Security deposits received from certain arrack vend farmers, had been credited under "Miscellaneous"

(5) Duty recovered on account of Proof Spirits, had been credited under "Miscellaneous".

(6) The amounts received in Treasuries on account of Ganja Khists, had been omitted in the Demand, Collection and Balance Statements.

(7) Certain amounts shown in the Demand, Collection and Balance Statements differed from those entered in the Challans given to the farmers by the Treasury Officers.

(8) The amounts collected in Treasuries

on account of Ganjam had been credited under "Opium" instead of "Ganja"

(9) In certain talukas in which no "Separate Shops" exist, certain amounts of rental had been credited as if received from "Separate Shopkeepers".

(10) License fees paid on account of Foreign Beer had been credited under Country Beer.

(11) Stamp duty paid on account of certificates endorsed on Contract Bonds in proof of Stamp duty having been received, had been incorrectly credited under "Excise – Miscellaneous"

(12) Price of liquor had been credited under "Still – head duty", and Duty under "Price of liquor."

(13) License fees from Foreign liquor Shops had been credited to the Municipality instead of to State Revenue.

(14) Duty paid on account of Proof Spirits had been credited under "Deposits".

7. Under such circumstances, I solicit the favor of early sanction to the proposals I have now submitted. A Proposition Statement in the prescribed form is herewith sent.
